

**גמרא סדורה**

**המאיר**

**מהדורת יעקב יוסף**

The Yakov Yosef Edition of the Talmud.

Dedicated in memory of

**יעקב יוסף בן מרדכי הכהן ע"ה**

**נפטר בי' תמוז תשס"ח**

**ע"ה Jacob Rottenberg**

From the fall of Poland and the Siberian Wastes to American shores, despite every horror seen, he was ever resilient, strong-willed but never without a smile.

Our father, our grandfather was dedicated to Torah as if it were one of his own children and made sure that it was always a part of our lives, Aleph through Taf.

For his unceasing love of the Torah that guides us today, we dedicate this edition of the Talmud to his memory.
